★ Honor the service and sacrifices of those who serve our Nation
USAREC Teammates:

Recruiting is a critical mission in the Army, and it is not an individual mission performed by the Soldier - it is a Family effort. We need the very best Soldiers and Families like you who are up for a challenge and truly want to make a difference at the place where the Army begins by telling your Army story to the American people.

The Army lifestyle is unique and unmatched by any other. Soldiering is a tough business and it is toughest on our Families. Being an Army Family means you have accepted the role to serve something more than yourself. You are charged with supporting and sacrificing for your Soldier, the Army’s mission and the protection of freedom and the American way of life.

As leaders, we pledge daily to provide the best quality of life possible for our Families. We firmly believe helping Soldiers and their Families contributes to a successful and more resilient Army. This Family Resource Guide will assist you and your Family as you transition into this command and empower you with the knowledge and resources to keep our Army Families strong.

Thank you for all you do each and every day for our Nation and our Army. We are proud to have you as part of the USAREC team!

I. Introduction

The purpose of this United States Army Recruiting Command (USAREC) Family Strong Resource Guide is to provide you with relocation information and familiarize you with the Recruiting Command climate. Since a majority of USAREC Soldiers and Families live and work in civilian communities remote from military installations, it is important for all to be informed about what to expect in the Recruiting Command and to become familiar with the culture. If you have not yet been contacted, please feel free to contact your sponsor or gaining unit. Sponsorship is an important part of any move. If you need assistance, please contact your chain of command or the battalion Soldier and Family Assistance (SFA) program manager.

To contact an SFA toll-free in the 1st, 2nd, 3rd, 5th or 6th Brigades, please call (800) 790-0963 and enter the prompt for your corresponding brigade and battalion. Medical Recruiting Battalion (MRBn) SFAs are not available through the 800-number. Direct battalion numbers are listed on page 38.

The Chain of Command/NCO Support Channel should normally be the first step whenever you need help or information. The leaders are genuinely concerned about your welfare and will do whatever is necessary to help you resolve a situation or obtain information.

### The Chain of Command

**The Center Leader:** The center leader is a senior NCO who directs, leads and trains an Army recruiting center. He/she supervises NCOs and is responsible for their professional development, morale, health and welfare. The recruiting center commander is responsible for all of the center’s equipment and for the center accomplishing its assigned mission.

**The Company Commander:** The company commander leads an Army recruiting company by supporting recruiting operations and reducing mission distractions. He/she makes and communicates decisions to positively influence and motivate the force. The company commander must establish a strong working relationship with the first sergeant and leverage his/her technical expertise and practical recruiting experience. The commander balances mission success with a positive command climate and a genuine care for Soldiers, civilians and their family members as evidenced by the implementation and growth of a Family Readiness Group. Typically, FRGs are established at the company level.

**The Battalion Commander:** The battalion commander commands a recruiting battalion of recruiting companies and centers often dispersed across multiple states. He/she manages all functions of command and is responsible for the health and welfare of the unit’s Soldiers, Families and civilians. These leaders care for the battalion’s Families by overseeing family readiness programs to sustain a high quality of life.

**The Brigade Commander:** The brigade commander commands a recruiting brigade composed of a headquarters unit, battalions, companies and recruiting centers dispersed across multiple states. He/she is responsible for the training, health, welfare, discipline, morale, safety and mission accomplishment of Soldiers, civilians and their Families. Brigade commanders must accomplish the mission with honor and integrity while taking exceptional care of Soldiers, civilians and Families.

**The USAREC Commanding General (CG):** The CG commands the U.S. Army Recruiting Command. He/she is responsible for training and sustaining more than 12,000 Soldiers and civilians to accomplish the command’s recruiting mission in the United States, its territories and OCONUS. The USAREC CG also works to assure the health, welfare and safety of all Soldiers, civilians, and Families of USAREC through effective quality of life programs.
The NCO Support Channel

The First Sergeant (1SG): The company 1SG leads, trains and supervises an Army recruiting company and is responsible for the health, safety, morale and training of all NCOs in that company. The 1SG sets and enforces high standards on conduct, training, professional development and operations. Additionally, he/she assists the commander in planning, coordinating and supervising all activities that support the unit’s mission while simultaneously promoting community awareness and support for the Army and its mission.

The Battalion Command Sergeant Major (CSM): The battalion CSM serves as the senior enlisted adviser to the recruiting battalion commander and is responsible for the implementation of tactics, techniques and procedures that focus on the shaping and sustainment of the recruiting force and mission. The battalion CSM establishes the tone for the NCO Corps throughout the battalion and trains and mentors NCOs toward successful mission accomplishment. Additionally, the battalion CSM assists in the training of company commanders, oversees all enlisted personnel actions, ensures the battalion sponsorship program is viable, and enforces Soldier and organizational standards.

The Brigade Command Sergeant Major: The brigade CSM provides leadership, training and guidance for the Soldiers, civilians and contractors assigned to the brigade. The brigade CSM oversees the professional development, management and welfare of all enlisted personnel and serves as the most trusted adviser to the brigade commander on all facets of recruiting operations and personnel issues.

The USAREC Command Sergeant Major: The CSM is USAREC’s senior noncommissioned officer. He/she serves as the senior enlisted adviser to the commanding general on policy matters pertaining to USAREC Soldiers, Families and civilians. The USAREC CSM also provides advice and oversight on individual Soldier skills and training.

TAB B—HISTORY
Fulfill your obligations. Doing your duty means more than carrying out your assigned tasks. Duty means being able to accomplish tasks as part of a team. The work of the U.S. Army is a complex combination of missions, tasks and responsibilities—all in constant motion. Our work entails building one assignment onto another. You fulfill your obligations as a part of your unit every time you resist the temptation to take “shortcuts” that might undermine the integrity of the final product.
History of Army Recruiting

Knowing our history helps define us and understand the importance of our actions. It honors those who came before us, recognizing their accomplishments and appreciating their sacrifices. Understanding our history shapes the way we view our future and the answers we provide to existing problems.

Studying our history prevents us from repeating the problems of the past. As George Orwell stated, “He who controls the past, controls the future.”

Recruiting for the U.S. Army began in 1776 with the raising and training of Continental Soldiers to fight in the Revolutionary War.

Colonial militia laws — and state laws after 1776 — required able-bodied men to enroll in the militia and undergo military training, all without pay. Some militiamen volunteered for short terms of service, for which they were paid. An estimated 175,000 men served under arms in some manner during the Revolutionary War.

The U.S. Army Recruiting Command traces its history back to 1822 when Maj. Gen. Jacob J. Brown, Commanding General of the Army, started the General Recruiting Service. The first recruiting stations, called “rendezvous,” were opened in New York, Baltimore and Philadelphia.

Volunteerism has been the backbone of the Army during its history, with the draft having been in effect for only about 35 years, mainly during times of war and for a period of 20 years following the Korean Conflict.

Recruiting was reestablished in August 1945 under the direction of the Army Adjutant General’s Office. In 1962, the Army transferred the recruiting, examining, induction and processing responsibilities to the United States Continental Army Command. In late 1963, the Army’s Deputy Chief of Staff for Personnel appointed a committee to analyze the recruiting process. As a result, Army Recruiting Command was formed Oct. 1, 1964, at Fort Monroe, Virginia. The new command was organized into six Recruiting Districts, which mirrored the structure of the six Continental Armies. The Recruiting Districts were the equivalent of today’s Recruiting Brigades. The Recruiting Districts were organized into Recruiting Main Stations (today’s Recruiting Battalions) and were responsible for the Armed Forces Examining Stations, Armed Forces Induction Stations, and joint U.S. Army-U.S. Air Force Joint Processing Units within their boundaries.

Recruiting Command was yet again transferred in July 1966, this time to the Deputy Chief of Staff for Personnel, Department of the Army. The command now had the responsibility of recruiting for the Regular Army in the continental United States, Alaska, Hawaii and Puerto, and running the nationwide network of Armed Forces Examining and Entrance Stations.

The last draftee entered the Army in December 1972, and in July 1973 USAREC began its mission of recruiting an All-Volunteer Army.
The headquarters completed a move from Hampton, Virginia, to Fort Sheridan, Illinois. The number of recruiting main stations increased from 40 to 64, and captains were introduced into the chain of command to improve the chain of command’s structure.

In 1974, the five numbered Recruiting Districts were redesignated as Regional Recruiting Commands. The Recruiting Main Stations were redesignated as District Recruiting Commands.

The examining and entrance function was transferred to the United States Military Entrance Processing Command (MEPCOM) July 1, 1976. Since 1979, USAREC’s mission has included recruiting for the Army Reserve.

In October 1983, Recruiting Command’s subordinate units’ designations were changed one last time. The Regional Recruiting Commands were designated as numbered Recruiting Brigades, with 1st Brigade at Fort Meade, 2d Brigade at Fort Gillem, 4th Brigade at Fort Sheridan, 5th Brigade at Fort Sam Houston, and 6th Brigade at Fort Baker. The District Recruiting Commands were redesignated as Recruiting Battalions. In 1992, USAREC headquarters was moved to Fort Knox, Kentucky, from Fort Sheridan.

In 1994, 3rd Recruiting Brigade was activated and assumed much of the territory assigned to 4th Brigade. The program Success 2000 re-engineered the mission, reducing 20 recruiting categories to only four, simplifying and stabilizing recruiters’ monthly contract missions.

The Army Medical Department Officer Procurement Division transferred from the Office of the Surgeon General to USAREC in 1995. Each of the five brigades activated an Army medical recruiting detachment. The medical missions included the Army Nurse Corps, Dental Corps, Medical Service Corps, Veterinary Corps, Medical Corps and Specialist Corps for both the Regular Army and Army Reserve. In 2005, medical recruiting detachments were re-designated as medical recruiting battalions.

In 2005, USAREC’s five Medical Recruiting Detachments were redesignated as Medical Recruiting Battalions, and the Special Operations Recruiting Battalion (SORB) was formed, consolidating the recruiting of all Army special operations specialties.

In 2006, USAREC focused on teaching the force how to think versus what to think with the publishing of its first Recruiting Operations Doctrine. Targeting the station and company level environments led to adjusting boundaries and locations to better align the recruiting force to support the market.

USAREC activated two new brigades in 2007, the Medical Recruiting Brigade and the Special Missions Brigade. The Medical Recruiting Brigade, designated as Allgood’s Highlanders, assumed control of the five medical recruiting battalions.

In 2008, USAREC deactivated four battalions while creating the Fresno Battalion in California, leaving USAREC at 38 battalions. In 2009, the 2nd Recruiting Brigade moved from Fort Gillem, Georgia, to Redstone Arsenal, Alabama. The Special Missions Brigade was deactivated, and the Medical Recruiting Brigade assumed operational command of the SORB.

The U.S. Army Accessions Command (USAAC), USAREC’s higher headquarters, moved from Fort Monroe, Virginia, to Fort Knox in 2010. USAAC was deactivated in January 2012, and USAREC was reorganized under the U.S. Army Training and Doctrine Command.

In October 2012, the SORB was realigned as a separate battalion, and the Army Marketing and Research Group (AMRG), headquartered in Alexandria, Virginia, assumed oversight for all accessions-based marketing, advertising and market research.
By the end of 2012, the Small Unit Recruiting concept was implemented command-wide, requiring recruiting teams to act in concert to accomplish the mission: One Mission, One Team, One Fight.

In March 2014, the decision was made to relocate the Recruiting and Retention School (RRS) to Fort Knox, Kentucky from Fort Jackson, South Carolina where it has been since 1995.

The new RRS campus, with its state of the art digital classrooms, enables students to stay in temporary post student housing within walking distance to the dining facility and fitness centers.

The mission of the RRS is to train and educate military and civilian leaders and develop complementary concepts, doctrine, organization, material, and training across the spectrum of recruiting and retention to enable America’s Armed Forces to fight and win the nation’s wars.

The relocation will save the Army an estimated $14 million a year.

TAB C—RELOCATION
Treat people as they should be treated. In the Soldier’s Code, we pledge to “treat others with dignity and respect while expecting others to do the same.” Respect is what allows us to appreciate the best in other people. Respect is trusting that all people have done their jobs and fulfilled their duty. And self-respect is a vital ingredient with the Army value of respect, which results from knowing you have put forth your best effort. The Army is one team and each of us has something to contribute.
I. **Pre-Departure: Resources**

Moving is never easy, whether it is across town or to another continent. We have compiled information on many of the subjects important to USAREC Soldiers and Families making a Permanent Change of Station (PCS) move. This is general information, meaning it should apply to almost all moves — not just moves to or from any specific area. Keep in mind that local laws, rules, etc., may change some of this information. **ALWAYS ASK** the local offices, your sponsor, the battalion S-1 or SFA for information specific to your PCS.

**A. Sponsorship Program**

All transferring servicemembers are entitled to an appointed sponsor at their new command. The goal of the Total Army Sponsorship Program is to ease the transition of Soldiers, Department of Army civilians and their Families to their new working and living environment. Having a sponsor helps reduce the anxiety associated with any PCS move and expedite the ability to transition to the new assignment.

You will be given your battalion assignment during the second week of the Army Recruiter Course (ARC) and your recruiting center assignment during the fourth week of the ARC. Shortly thereafter, you will receive an email to your AKO account from the battalion S-1. This email will include the name and contact information for your sponsor, who will contact you within seven days. The assigned sponsor will provide a welcome packet and current information about USAREC and the surrounding community.

If you do not hear from your assigned sponsor within seven days and you desire a sponsor, please contact your battalion S-1 or SFA.

If you selected to sponsor a Family, Military, OneSource offers training and tools to help you better assist incoming Soldiers and Families.

**B. The Soldier and Family Assistance (SFA) Program Manager**

The SFA holds a unique position only found within USAREC. He/she is a civilian employee who provides information and resources that support Soldier and Family well-being, mobility and economic readiness. Think of the SFA as the director of an installation’s Army Community Service (ACS) office. The SFA plans, directs, coordinates, trains, evaluates and organizes the following programs:

- Army Family Team Building (AFTB)
- Army Family Action Plan (AFAP)
- Exceptional Family Member Program (EFMP)
- Relocation/Financial Assistance Planning
- Information/Referral and Follow-up
- Family Program Volunteers/Volunteer Recognition
- Volunteer Management Information System (VMIS)
- TRICARE Beneficiary Counseling and Assistance Coordinator (BCAC)
- Army Family Advocacy Program (FAP)
- Family Member Employment
- Family Program Funds Management
Interactive Customer Evaluation (ICE)- You can provide feedback about the services provided you by a Soldier and Family Assistance Program Manager, by visiting our ICE site at [http://ice.disa.mil/index.cfm?fa=service_provider_list&site_id=1159&service_category_id=6&dep=*DoD](http://ice.disa.mil/index.cfm?fa=service_provider_list&site_id=1159&service_category_id=6&dep=*DoD).

Visit www.militaryonesource.com/moving or call (800) 342-9647.

II. Pre-Departure: Permanent Change of Station (PCS) Entitlements and Other Benefits

Military personnel are entitled to reimbursement for costs incurred as a result of a PCS move. These are the various allowances and entitlements associated with most Continental United States (CONUS) PCS moves. Visit www.dfas.mil/pcstravel for the most current information on the below entitlements.

A. Monetary Allowance in Lieu of Transportation (MALT)

There is an allowance for military members who drive their own vehicle to a new duty station. MALT is paid on a per mile basis for the official distance of each portion of the travel. The MALT rate per authorized personal vehicle or POC (privately owned conveyance) is $.23/mile for PCS travel beginning on or after Jan. 1, 2012.

B. ‘Plus’ (Per Diem) Allowances

There are two types of ‘Plus’ per diems paid during a PCS move to assist Families with paying for lodging and meals. MALT-Plus is authorized to servicemembers traveling in their personal vehicle. While MALT is paid on a per mile basis, the ‘Plus’ (per diem) portion is paid on a whole day calendar basis for the allowable travel time. Lodgings-Plus is used to pay for lodging costs associated with a PCS move. This per diem may be paid for any necessary overnight delay or processing time at a transportation terminal or personnel processing center related to a PCS move. Lodgings-Plus and MALT-Plus cannot both be paid on the same day.
C. Dislocation Allowance (DLA)

DLA is a partial reimbursement for certain expenses associated with relocating a household such as deposits and other set-up costs. If the military member is not moving dependents and is assigned to government quarters at the new assignment, DLA is not authorized.

D. Temporary Lodging Expense Allowance (TLE)

Authorized allowance to help defray the cost of meals and temporary lodging expenses incurred during the PCS relocation, TLE will not exceed $290/day for up to 10 days.

E. Advance Pay and Allowances

Servicemembers may request up to three months advance pay up to 60 days prior to moving. Extreme caution should be utilized if you take advantage of this benefit, as it must be repaid.

III. Pre-Departure: Housing Options

A. Military Installation Family Housing

Military Installation Family Housing opportunities may be available at your new assignment. It does not have to be an Army post; it could be another military installation. You may request information about housing options at your new duty station from the housing office at your current duty station.

1. Application for Family Housing

To apply for housing on an installation, you will need a completed DD Form 1746 (Application for Assignment to Housing), one copy of your orders, your most recent leave and earnings statement (LES), a copy of your DD Form 1172 (DEERS Enrollment), a copy of your DA 31 (leave form), a copy of your ERB/ORB and, if applicable, a special needs statement for an ADA accessible home and/or a doctor’s statement confirming pregnancy. Contact the appropriate housing office directly for more specific information, including fax or email submission guidelines. Please note that application processes may vary from one military installation to another. Your sponsor can give you the contact information for the appropriate housing office.

2. Homes.mil

HOMES.mil is a DoD website designed to connect service members and their Families with community housing rental listings located near U.S. military bases. Create an account or login to begin searching for homes near your current or future installation. HOMES.mil offers a database of available rental listings, as well as contact information for your current or prospective housing office.

To find out how much your Basic Allowance for Housing (BAH) will be in your new area, visit www.defensetravel.dod.mil/site/bah.cfm.

B. Leased Government Housing (LGH)

Recruiting personnel can be assigned to locations where housing costs are not documented and not fully supported by Basic Allowance Housing (BAH) and where military housing is not available within a reasonable commuting distance. To improve the quality of life for USAREC Families in these areas, the command, in conjunction with the U.S. Army Corps of Engineers
(COE), will procure leased housing. Although there is a limited number of LGH units available command-wide, it would be beneficial to contact the USAREC LGH office for information about this program.

1. Eligibility for Family Leased Housing
   a. The program is open to all ranks.
   b. All eligible personnel must be receiving BAH at the ‘with dependent rate’ and be accompanied by dependents. In cases of joint custody of dependents, only the military Soldier who has custody for more than six months per year is eligible.
   c. The permanent duty station must be located in a location that is greater than a one-hour commute from a military installation that has government housing.
   d. Soldiers are required to have at least 12 months remaining at their current duty station at the estimated lease start date.
   e. If adequate suitable housing is identified by the COE but declined by the Soldier, the Soldier will be dropped from the program. The Soldier cannot reapply for the program until he/she has orders for a permanent change of duty station.

2. Bedroom Entitlement is based on number of dependents — up to a maximum of four bedrooms — as listed below:
   • Member and spouse one bedroom.
   • Children under age 6 share a bedroom with siblings of the same or opposite gender (maximum of two children per bedroom).
   • Children ages 6-9 share a bedroom with siblings of the same gender only (maximum of two children per bedroom).
   • The servicemember’s dependent parents are entitled to their own bedroom.
   • Soldier must show proof that any children between the ages of 18 and 22 are enrolled in school/college to be included in the bedroom count.
   • Child loses bedroom entitlement on 23rd birthday.

3. Application procedures for leased housing.
   a. Servicemember completes and submits USAREC Form 700-5.6 (Application for Leased Government Housing) and USAREC Form 700-5.8 (Statement of Understanding for Acceptance of Leased Government Housing and submits forms to the USAREC LGH office. The servicemember’s signature on the USAREC Form 700-5.8 indicates that he/she understands the provisions of participating in the LGH program.
   b. A copy of the servicemember’s PCS and pinpoint orders must accompany each application.
   c. The total application process may take approximately 45-60 days.

IV. Pre-Departure: Child/School Options

If you have school-aged children, your child’s educational options may be one of the deciding factors in determining where you will live. You will have public, private or home-schooling options from which to choose. Below are resources to help you make an informed decision.

A. Military Childhood Education Coalition (MCEC)

The work of the Military Child Education Coalition (MCEC) is focused on ensuring quality educational opportunities for all military children affected by mobility, family separation, and transition. A 501(c)(3) non-profit, world-wide organization, the MCEC performs research, develops resources, conducts professional institutes and conferences, and develops and publishes resources for all military families. The MCEC serves as a model of positive leadership and advocacy for ensuring inclusive, quality educational opportunities for all military children. For more information about the MCEC, visit www.militarychild.org or call (254) 953-1923.

B. SchoolQuest.org

SchoolQuest is an educational resource tool designed for military students, their Families and the professionals who support them. The primary audience includes military students and their parents seeking information about schools, college and workplace readiness, transition, etc. It is meant to facilitate the search for new schools and centralize resources. But it’s more than just a search site. A SchoolQuest Profile is also a secure storage site for students’ educational, extra-curricular, award, volunteer and work information. It is a safe, centralized virtual “file drawer” where a student (or parent) can keep track of all the details that are so difficult to organize. SchoolQuest also offers a compilation of resources in one location for all 50 states, DODEA and Washington, D.C. It provides information about state school requirements and resources by each individual state, or you can identify a specific resource area that you wish to research in one or more states. Visit https://www.schoolquest.org/ for more information.

C. Military OneSource

Military OneSource provides tools and resources that allow Soldiers and family members to research an area’s educational opportunities. In addition to searching for schools and tutors, you can also learn about opportunities to get involved in your child’s educational activities. Military OneSource offers information about the standardized testing requirements in the community to which you will PCS and tools to help children prepare. Visit www.militaryonesource.com or call (800) 342-9647 for more information.

D. Researching a Great School:

Visit our Soldier and Family Assistance Branch website and select “Researching a Great School” to find important questions to ask when researching schools within your new community. Click on Relocation Assistance on left-hand side column: http://www.usarec.army.mil/hq/HRD/SFA/index.shtml.

V. Transition: Medical and Dental Coverage En Route

TRICARE is a regionally managed health care program for active duty and retired members of the uniformed services, their Families and survivors. TRICARE brings together the health care resources of the Army, Navy, and Air Force and supplements them with networks of civilian health care professionals to provide better access and high quality service while maintaining the capability to support military operations.
Your TRICARE coverage is completely portable, meaning it moves with you. You are covered worldwide — both in transit to your new duty location and once you arrive. Depending on where you PCS, you may use a different TRICARE health plan option.

For additional information visit the TRICARE website at http://www.tricare.mil.

A. Emergency Care

If you need emergency care while en route to your new duty station, call 911 or go to the nearest emergency room. TRICARE defines emergency care as medical services provided for a sudden or unexpected medical or psychiatric condition, or the sudden worsening of a chronic (ongoing) condition that is threatening to life, limb or sight and needs immediate medical treatment, or which has painful symptoms that need immediate relief to stop suffering. If you are traveling near a military treatment facility (MTF), you should go to the MTF or military dental treatment facility for emergency services. If you are hospitalized in a civilian facility for more than 24 hours, contact your TRICARE region POC.

B. Urgent Care

If you need urgent care while en route to your new duty station, coordinate the care with your primary care manager (PCM) and/or TRICARE region POC. TRICARE defines urgent care as medical care for a condition that will not result in disability or death if not treated immediately but should be treated within 24 hours to avoid further complications.

If you are in a Prime program, you must coordinate urgent care with your primary care manager and/or TRICARE region POC before receiving care. If you are in TRICARE Standard & Extra or TRICARE For Life, you can receive care as you normally would. You should, however, contact your TRICARE region POC as soon as possible to coordinate any prior authorizations that are needed.

C. Prescriptions

You should have all your prescriptions filled before you leave, but if you need a prescription filled while you are traveling in the United States, you have several options:

- If near a military treatment facility, fill the prescription at the MTF pharmacy.
- Find the closest TRICARE network pharmacy. Call (877) 363-1303 or visit www.tricare.mil.
- If a network pharmacy is not available, you can visit a non-network pharmacy. You may have to pay up front for medication and file a claim with Express Scripts Inc., for reimbursement. Call (877) 363-1303 or go to www.tricare.mil for more information.
- The mail-order option is not recommended for a prescription you need right away, but if you will be traveling for a long time, you can arrange for any regular prescriptions to be filled via the mail-order pharmacy by calling your primary care manager or (877) 363-1303.

For more information about prescriptions, please see pages Pages 26-27.
VI. Arrival and Orientation: In-Processing

A. Finance: Permanent Change of Station (PCS) Entitlements

Finance in-processing will be done at the same time as personnel in-processing. It is very important that all documents be brought with you to receive all pay entitlements as quickly as possible. The following is a list of entitlements you may receive. Learn more about PCS entitlements, forms and settlement processing online at www.dfas.mil/pcstravel.htm.

1. Basic Allowance for Housing (BAH)

Compensation is provided to military members to adjust for housing cost in local civilian markets. Rates vary by pay grade, dependency status and geographic location. There are “with” and “without dependent” rates.

2. CONUS COLA

Continental United States cost-of-living allowance is available to military members in high cost areas as a means to provide compensation for variations in non-housing costs. There are “with” and “without dependent” rates.

3. Special Duty Assignment Pay (SDAP) for recruiters

Enlisted active duty servicemembers on recruiting duty may be paid SDAP.

- **SD-6**: Field recruiters (Active & Reserve recruiting for enlisted, medical, special forces and warrant officers), station/center leaders, company 1SGs, CSM/SGMs assigned to battalions, guidance counselors and recruiter trainers.
- **SD-5**: Battalion operations NCOs
- **SD-4**: 79R assigned to brigade and USAREC HQ, Recruiting & Retention School instructors and HQDA level 79R staff

4. Recruiter Expense Allowance (REA)

This allowance enables recruiters to pay document fees, provide lunch for Future Soldiers, etc. For a list of reimbursable expenses and how to apply for reimbursement, see USAREC Regulation 37-17.

5. Basic Allowance for Subsistence (BAS)

Basic Allowance for Subsistence (BAS) is meant to offset the cost of the Soldier’s meals, but it is not intended to cover the cost of meals for family members. The rate for 2013 is $352.27 per month for enlisted Soldiers and $242.60 for officers.

6. Base Pay

Pay charts can be found at www.dfas.mil. For a guide to help you understand your sponsor’s leave and earnings statement, visit www.dfas.mil/militarymembers/payentitlements/aboutpay.html.

7. Miscellaneous Pay and Allowances

A Soldier may receive many other allowances depending on his or her job and duty location, i.e. language proficiency pay, aviation career incentive pay, health professional, hazardous duty pay and Family separation pay.
8. Permanent Change of Station (PCS) Travel Settlement (DD 1351-2)

Receipts under $75 will not need to be retained for your settlement. Soldiers will receive a flat per diem rate for themselves and their dependents and mileage reimbursement. Receipts are only needed if you make a personally procured move (PPM), formerly known as a Do-It-Yourself (DITY) move, or partial DITY move. When a PPM is filed, ensure all documentation received from transportation and any advance travel pay vouchers are included. If all documentation is provided upon in-processing and is correct, then your settlement should take no more than four to six weeks and will be paid by electronic funds transfer (EFT) into the same account that your direct deposit is currently being received.

DO NOT ASSUME you will receive any of these allowances. Allowances change periodically, so check with the finance office at the losing/gaining battalion to determine the exact amount of your allowances and entitlements. Please visit the Defense Travel Management Office website at www.defensetravel.dod.mil.

9. Servicemembers Group Life Insurance (SGLI)

SGLI is a program of low cost group life insurance for servicemembers. SGLI coverage is available in $50,000 increments up to the maximum of $400,000, or can be declined altogether, but these options must be elected in writing. A Soldier is automatically issued the maximum amount of $400,000.

Spouses and dependent children of active duty servicemembers or members of the National Guard or Ready Reserve are eligible for Family Servicemembers’ Group Life Insurance (FSGLI). Family coverage is available only to members insured under the SGLI program. If you are covered under SGLI, you are eligible to insure your spouse, regardless of whether your spouse is on active duty, retired, or is a civilian. Maximum spouse coverage is issued automatically, but can be declined or reduced in writing by the servicemember. FSGLI coverage is available in increments of $10,000 and provides up to a maximum of $100,000 of insurance coverage for spouses, not to exceed the servicemembers’ SGLI coverage amount, and $10,000 for dependent children. As the servicemember, you are always the beneficiary of FSGLI coverage.

You pay a premium for your spouse’s coverage, which increases as your spouse ages. Coverage for your child is provided at no cost until the child is 18, unless the child is a full-time student or becomes permanently and totally disabled and incapable of self-support prior to age 18.

For more information and premiums, visit www.benefits.va.gov/insurance.

B. Government ID Card

To get or renew a government ID card, you must be registered in DEERS. The ID card will enable use of the post exchange and commissary and access services such as legal assistance or medical care. All military members, spouses and children over the age of 10 must have an ID card. You can get an ID card at any active duty military base or post (Army, Navy, Air Force or Marine) and some Reserve component and National Guard locations, Coast Guard bases and Public Health Service offices. To find a location near you visit www.dmdc.osd.mil/rsl or contact your SFA.
C. Driver’s License

Some states require that family members with a current license obtain a driver’s license for that state. Please contact your local DMV for more information, or search the DMV website at www.dmv.com.

D. Defense Enrollment Eligibility Reporting System (DEERS)

DEERS is a computerized information service linked by an extensive voice and data communications network to Uniformed Services Installations. DEERS is used to verify and confirm the eligibility for those individuals receiving Uniformed Services Benefits. The system has many other uses as well, such as ID card issuance, locating master medical and dental records, and providing population information. Upon your arrival at your new duty station, it is very important that you change your address and provide DEERS with a copy of your PCS orders.

You should update your record in DEERS within 30 days whenever you experience any of the following life events (this list is not all-inclusive):

- Change in sponsor’s status (change in service status i.e. enlisted to officer, branch change)
- Getting married or divorced
- Having a baby or adopting a child
- Moving to a new location for any reason
- Becoming entitled to Medicare (either you or a family member)

Mistakes or outdated information in the DEERS database will cause problems with TRICARE claims.

1. DEERS Enrollment and Update

To enroll family members or update DEERS records, sponsors must complete an Application for Department of Defense Common Access Card and DEERS Enrollment (DD Form 1172) and provide other documentation, such as marriage, birth or death certificates, Social Security cards, separation papers (DD Form 214), Medicare cards, etc. Each family member’s eligibility record must be updated separately when changes occur. Note: If the sponsor is not available, DEERS can be updated by a family member with a notarized DD Form 1172 or a power of attorney.

a. In Person: To add or delete family members, visit a local ID card office. You can search for an office near you by ZIP code, city or state by visiting www.dmdc.osd.mil/rsl. Call the office first to verify location and business hours.

b. By Phone: Call the Defense Manpower Data Center Support Office at (800) 538-9552 to update your addresses, email address and phone numbers.

c. By Fax: Fax address, email address or phone number changes to the Defense Manpower Data Center Support Office at (831) 655-8317.

d. By Mail: Mail changes to the Defense Manpower Data Center Support Office. You must also mail supporting documentation if you are adding or deleting a family member:

   Defense Manpower Data Center Support Office
   Attn: COA, 400 Gigling Road
   Seaside, CA  93955-6771

e. Online: Visit the DEERS website at www.dmdc.osd.mil/milconnect and follow the steps to update your address, email address and phone numbers.

f. Contact your unit SFA.
TRICARE Medical Information

It is federal law that all active duty personnel be enrolled in TRICARE Prime or TRICARE Prime Remote. In order to enroll family members in TRICARE, DEERS must be up to date.

For complete information on TRICARE coverage options, visit www.tricare.mil.

2. TRICARE Prime (TP)

For active duty Families, there is no enrollment fee for TRICARE Prime. However you must complete an enrollment form to select Prime as your coverage plan. TRICARE Prime is a managed care option offering the most affordable and comprehensive coverage.

   a. Enrollment is required to participate:
      • Active duty servicemembers must enroll (no enrollment fee)
      • Active duty family members have the option to enroll or use TRICARE Standard & Extra

      • No balance billing
      • Guaranteed appointments (access standards)
      • Primary care manager supervises and coordinates care

3. TRICARE Prime Remote (TPR)

As a recruiter, you will likely use TRICARE Prime Remote (TPR) because you will probably not be located near a military installation. TPR is a managed care option similar to TRICARE Prime for active duty servicemembers and their eligible family members while they are assigned to remote duty stations in the United States. Remote locations are those that are 50 miles or one hour from an MTF (based on ZIP code). To find out if you live in a designated remote location, ask your SFA or go to www.tricare.mil and enter your profile.

   a. Enrollment required to participate
      • Active duty servicemembers must enroll (no enrollment fee)
      • Active duty family members have the option to enroll or use TRICARE Standard & Extra
   b. Receive most care from an assigned network primary care manager (PCM), who will provide referrals for specialty care. If a network PCM is not available, care is received from another TRICARE-authorized provider.
   c. Other Features:
      • Fewer out-of-pocket costs
      • Eligible for travel reimbursement if referred for necessary medical care far from home
      • Enhanced coverage for vision and clinical preventive services
      • No claims to file (in most cases)

TAB D—RECRUITING COMMAND
Put the welfare of the Nation, the Army and your subordinates before your own. Selfless service is larger than just one person. In serving your country, you are doing your duty loyally without thought of recognition or gain. The basic building block of selfless service is the commitment of each team member to go a little further, endure a little longer, and look a little closer to see how he or she can add to the effort.
I. Connect With Your Community

A. Family Readiness Groups (FRGs)

USAREC FRG structure consists of:

a. Company Level: Typically establishes the FRG to meet the needs of its local members.

b. Battalion Level: Advisory role to company level FRGs through direct contact and guidance from the SFA and FRG senior advisor. May establish an FRG for the battalion HQ unit.

c. Brigade and Division Level: Advises and mentors battalion leadership on FRG structure, readiness issues and policy issues. May establish an FRG for the brigade and division HQ units.

USAREC’s FRG falls under a unique structure because of our geographic dispersion and non-deployable status. The overall structure of the FRG, as designed by the Army, remains the same; however each company level FRG must adapt to their distinctive situation in order to adequately inform and support their members.

We encourage membership in the FRG to remain connected to your Army family, receive valuable information regarding programs to assist you while away from a military installation, and to support your recruiters and their mission. Many units have digital welcome packets with the FRG contact information that accompany the command team’s welcome letter. Feel free to contact your FRG representative prior to your move or the command during the in-processing phase for more information. It will be our pleasure to assist you with any questions or concerns you may have.

B. Army Family Team Building (AFTB)

The AFTB program improves the overall readiness of the force by teaching and promoting personal and Family readiness through standardized, progressive and sequential education to family members. The program can also be used to meet the needs of the individual audience. It is intended to enhance — not replace — existing programs for Family members, such as Family Readiness Groups (FRGs).

1. AFTB Class Information

Three levels of classes give USAREC Families the tools and resources necessary to be self sufficient and self-reliant. These classes will help you understand the Army’s mission as well as how your Family fits into the big picture. Please contact your SFA for the battalion AFTB class schedule.

2. AFTB Online Training Modules

For those who do not have time to attend a traditional class, AFTB offers online training. It is an easy way to learn about how to survive and thrive in today’s Army. Lessons are available online in both English and Spanish. AFTB lessons can be downloaded and reviewed at your convenience. Go to www.myarmyonesource.com and click the online training button to access AFTB Levels I, II and III.

You can also learn how USAREC assists Future Soldiers’ Families through the AFTB program.
C. The Army Volunteer Corps Program (AVC)

The AVC program has a mission to promote and strengthen volunteerism by uniting community volunteer efforts, supporting professional management, enhancing volunteer career mobility, and establishing volunteer partnerships to support individual personal growth and life-long volunteer commitment. Volunteerism stabilizes Army communities by contributing to community cohesion, increasing self-reliance, and enhancing the well-being of our Soldiers and their Families. This program also provides awards and recognition to volunteers.

USAREC volunteer opportunities (sample list is not all inclusive):

✓ Family Readiness Group (FRG) leader
✓ Army Family Team Building (AFTB) instructor
✓ Army Family Action Plan (AFAP) delegate
✓ Assist with FRG fundraisers
✓ Assist with holiday stockings for children
✓ FRG newsletter editor
✓ Assist with Unit Organization Day
✓ FRG secretary/recorder
✓ FRG fundraising chairperson
✓ FRG activities coordinator
✓ FRG key caller
✓ FRG hospitality chairperson

1. Volunteer Benefits

Child care reimbursement, networking, resume building, training, valuable experiences, making friends and exploring new interests are just a few of the benefits for a volunteer.

2. Volunteer Management Information System (VMIS)

VMIS is the official Army volunteer hours tracking system. VMIS may be accessed through Army OneSource. Please see your SFA for information regarding registration in VMIS. This will enable you to build a resume, volunteer for positions and become eligible for volunteer recognition. Visit www.myarmyonesource.com/FamilyProgramsandServices/Volunteering/VMIS/VMIShome.aspx.

D. Army Family Action Plan (AFAP)

AFAP provides active and Reserve component Soldiers, Army civilians, Family members, survivors, and retirees a voice in shaping their standards of living by identifying issues and concerns for Army senior leadership resolution. Since its inception in 1983, the AFAP remains the only such partnership between a branch of the United States military and its constituents.

USAREC Soldiers, Families and civilians may submit AFAP issues any time. AFAP issues can be submitted via the Army One Source (AOS) AFAP link; just find your USAREC brigade listed on the AOS AFAP site to submit the issue directly to your brigade SFA. You can also submit them directly via email to the battalion or brigade Soldier and Family Assistance Program Manager. Most battalions offer the opportunity to submit AFAP issues at their Annual Training Conference (ATC).
AFAP is the primary tool for communicating the important issues facing our USAREC Soldiers, Army civilians, Families, and retirees. Information provided through the AFAP process gives commanders and leaders insight into current satisfaction detractors, quality of life needs, and expectations of Army constituents. Leadership uses the information to effect changes that improve the standards of living and support programs. These changes foster a satisfied, informed, and resilient Army community. USAREC has consistently had our submitted AFAP issues selected to go before the AFAP General Officer Steering Committee (GOSC) at ACSIM level for implementation consideration.

1. AFAP Forums

AFAP forums are held at the battalion level. Active and Reserve Soldiers, retirees, surviving spouses, DA civilians and Families identify issues to be addressed in order to maintain a good standard of living. Battalion commanders ensure the issues are addressed to work toward an appropriate resolution. About 90 percent of AFAP issues are retained and worked at local levels and have resulted in significant community improvements.

Some AFAP issues are applicable beyond the battalion level. These are sent to brigade SFAs to work during the annual AFAP video teleconference and potentially are considered to be forwarded to Training and Doctrine Command (TRADOC) for consideration to be forwarded on to the Army staff and DOD agencies. The GOSC reviews the progress of AFAP issues on a semi-annual basis. The AFAP GOSC is the final deciding authority on the status of all issues determining if an issue is resolved, unattainable, or needs to remain active until the issue’s stated objectives have been met.

2. AFAP Participation

Although USAREC holds AFAP by video teleconference, it still requires participation by all demographics, just like a traditional garrison AFAP conference. The AFAP program grew out of the voluntary efforts of Army spouses who met to identify and document the concerns of Soldiers and Family members. Looking for the best way to communicate these issues to the highest level of command, they developed the AFAP forum.

Integral to the AFAP is the involvement of volunteers at every level. Whether working as a delegate, facilitator, recorder, transcriber, issue disposition person conference committee member, or with paid staff in the office, volunteers are essential to the heart and effectiveness of AFAP.

Please inform your battalion or brigade SFA if you would be willing to be an AFAP volunteer at your annual brigade AFAP VTC!

AFAP issues may be submitted to your SFA or FRG leader at any time of the year. YOU DO NOT HAVE TO WAIT UNTIL THE ANNUAL AFAP / TRAINING CONFERENCE.
II. Military Support Services

A. The Soldier and Family Assistance (SFA) Program Manager

The SFA coordinates the services normally provided by an installation Army Community Service (ACS) center. The SFA handles the Exceptional Family Member Program (EFMP), Family Advocacy Program (FAP), Army Emergency Relief (AER), financial management, Army Family Action Plan (AFAP), employment program, Army Family Team Building (AFTB), relocation issues, TRICARE concerns and issues, the Army Volunteer Program, and disaster preparedness.

To contact an SFA toll-free in the 1st, 2nd, 3rd, 5th or 6th Brigades, please call (800) 790-0963 and enter the prompt for your corresponding brigade and battalion. MRB SFAs are not available through the 800-number. Battalion numbers are listed to the right.

B. Exceptional Family Member Program Systems Navigation

Systems Navigation is a community support component of the EFMP that connects exceptional family members with the systems of care they need, both on and off an installation. All Families have the privilege of using EFMP Systems Navigators for any EFM needs. Systems Navigation also supports the goals of the Army Family Covenant.

1. USAREC EFMP System Navigators

Systems Navigators work in conjunction with the battalion SFAs. Systems Navigators provide EFMP Soldiers with information on local, state and federal programs, resources and care givers who can offer assistance to their exceptional family members.
An EFMP systems navigator is able to help your Family with any EFMP needs, to include the following.

- Identify your EFM and Family strengths and needs.
- Help identify and prioritize your EFM and Family goals.
- Develop a Family Service Plan to reach your goals.
- Make referrals to required services.
- Provide information about disabilities or medical conditions of concern.
- Find transportation to appointments related to the Family Service Plan.
- Identify support groups and social activities.
- Strengthen your ability to advocate for your EFM.
- Research resources.

Brigades are assigned the following EFMP systems navigators to assist with any EFMP needs. To receive services please contact your assigned EFMP systems navigator:

- 1st, 2nd Brigades and MRB call (502) 626-1080.
- 3rd, 5th and 6th Brigades call (502) 626-2015.

Soldiers or their spouses may subscribe to the quarterly USAREC EFMP newsletter through their systems navigator.

C. USAREC Military Family Life Consultants (MFLCs) and Personal Financial Counselors (PFCs)

MFLCs and PFCs team up to offer support for active duty, National Guard and Reserve component Soldiers and their Families. MFLC teams provide support to individuals, couples, Families and groups.

There are two MFLC and PFC teams assigned to each brigade. They travel throughout the brigade conducting site visits in the battalion areas. MFLCs offer confidentiality, with the exception of an obligation to report to the authorities any threats to do bodily harm. PFCs offer confidentiality, as well, unless command referred. Please contact the brigade SFA for the current schedule and contact information; contact phone numbers are on page 40-41.
1. Military Family Life Consultants (MFLCs)

MFLCs have earned at least a master’s degree in a mental health-related field, are licensed by a state or territory to provide independent practice in their field, and have completed a background investigation. MFLCs provide non-medical, short term, situational, problem-solving counseling support designed to help service members and their Families cope with normal reactions to the stressful/adverse situations associated with the military lifestyle. Long term counseling needs will be referred to a Military Medical Treatment Facility, TRICARE, or other providers of professional mental health care.

D. Unit Ministry Team (UMT)

The Unit Ministry Team is a great resource within USAREC. The UMT consist of an Army chaplain and chaplain assistant who are responsible for tending to the spiritual fitness, health, and well-being of Soldiers, civilians, and their Families. The two work together to perform and provide religious support to ensure the constitution’s free exercise of religion. The chaplain’s responsibilities include performing religious rites, conducting worship services and command ceremonies; providing Strong Bonds events and religious education for military communities; unit training (such as suicide prevention); privilege and confidential counseling services; hospital visitations and bedside ministry; and advising commanders on religious, spiritual, and moral matters that affect unit morale and command climate.

E. The Army Suicide Prevention Program (ASPP)

The Army Suicide Prevention Program provides resources for suicide awareness, intervention skills, prevention and follow-up in an effort to reduce the occurrence of suicidal behavior across the Army. The ASPP develops initiatives to tailor and target policies, programs, and training in order to mitigate risk and behavior associated with suicide. If you are concerned about someone and believe he or she is having suicidal thoughts and is showing signs of emotional distress and potential self-harm, use the ACE card pictured below.

For more information about the Army’s program, visit www.preventsuicide.army.mil.

F. Command Psychologist

The Office of the Command Psychologist (OCP) provides command and behavioral health (BH) consultation to promote a well-conditioned Soldier and civilian force. The OCP conducts BH screenings and evaluations, participates in military medical administrative evaluations, advises in crisis intervention and management and repatriation, recommends appropriate clinical care, and consults on the disposition, assessment and selection of detailed recruiters.

Each recruiting brigade is assigned a psychologist (called a Behavioral Health Consultant or BHC) who provides consultation to leaders at all levels (company, battalion and brigade headquarters) about how to support recruiters and their Families.
BHCs have experience as direct clinical service providers in military treatment facilities prior to joining USAREC.

As command consultants, however, they cannot be direct care providers for individual recruiters and their Families. If recruiters and their Families have questions about accessing care, the BHCs can review records and treatment recommendations to direct them to appropriate clinical services.

In addition, BHCs can offer educational group training in such areas as executive coaching for leadership performance enhancement, tactical awareness of stressful situations in the workplace and after duty hours (i.e. for stress inoculation), individual mental toughness and emotional resilience, essential communication for reducing workplace conflict, and post-deployment reintegration into USAREC and Family life.

SFAs are encouraged to contact the brigade BHC directly for individual recruiter/Family consultation and to request BHC group training through the unit’s training department.

G. Family Advocacy Program (FAP)

The U.S. Army Family Advocacy Program is dedicated to the prevention, education, prompt reporting, investigation, intervention and treatment of spousal and child abuse. The program provides a variety of services to Soldiers and Families to enhance their relationship skills and improve their quality of life. This mission is accomplished through a variety of groups, seminars, workshops and counseling and intervention services.

For assistance, please contact your FAP/SHARP coordinator at the appropriate number.
H. Sexual Harassment / Assault Response & Prevention (SHARP)

The SHARP program reinforces the Army’s commitment to eliminate incidents of sexual assault through a comprehensive policy that centers on awareness and prevention, training and education, victim advocacy, response, reporting and accountability. Army policy promotes sensitive care and confidential reporting for victims of sexual assault and accountability for those who commit these crimes.

The SHARP Program

**Promotes awareness** of sexual assault within the recruiting community and coordinates professional intervention at all levels within military and civilian communities.

**Strives to ensure protection** of the privacy of victims of sexual assault through restricted and unrestricted reporting options.

Recognizes that **incidents of sexual assault constitute violations of the law** and that a commander has authority to take disciplinary or administrative action in such cases.

For more information about the Army’s SHARP program, visit [www.sexualassault.army.mil](http://www.sexualassault.army.mil/).

The goal is to prevent sexual assault, to encourage the reporting of all instances of sexual assault, to protect victims of sexual assault, and to treat victims of sexual assault appropriately. Please contact your FAP/SHARP coordinator at the numbers provided below for more information.

Sexual Assault Response Coordinators (SARC) ensure the needs of sexual assault victims are met quickly, appropriately, and confidentially. Call your brigade SARC if you are a victim of sexual assault or just want more information about sexual assault.

I. Army Substance Abuse Program (ASAP)

The ASAP mission is to strengthen overall fitness and effectiveness of the Army’s workforce, to preserve manpower, and enhance the combat readiness of Soldiers.

USAREC implements this mission by randomly selecting its Soldiers for drug testing through urinalysis each month. By the end of each fiscal year, each battalion will test every assigned Soldier at least once. In addition, there are mandatory substance abuse classes taught quarterly. These classes combine for a minimum of eight hours per year of substance abuse training and education.

Soldiers who recognize they have a substance abuse problem and desire assistance should use the self-referral option to enter a drug and alcohol education and rehabilitation program. This method will allow them to avoid adverse actions to their careers while receiving the professional help needed to return them to duty and full health. This method is highly preferred by the Army.

The self-referral process is explained in AR 600-85, 7-10. Soldiers wishing to receive ASAP counseling may ask their commander to assist them in making an appointment with the nearest Army installation ASAP office for the initial interview, although it is not necessary to do so. The Soldier has certain legal protections available under the limited use policy, as applicable. See AR 600-85, 10-12. There is also a Battle Buddy Hotline USAREC Soldiers may call for guidance: (800) 223-3735 Ext. 0.

Family members battling substance abuse may receive counseling and rehabilitation through the Employee Assistance Program (EAP). This is detailed in AR 600-85, 6-3. Each Army installation has an EAP representative assigned to the ASAP office. EAP representatives may, at their discretion, refer the member to a local civilian counseling and treatment facility. TRICARE will pay part or all of the cost for care, depending on the sponsor’s plan. The EAP representative will explain this to the sponsor during the initial interview.
J. The Brigade Judge Advocate (BJA)

For legal assistance, contact the Brigade Judge Advocate or the Office of the Staff Judge Advocate of the nearest military installation. To find the nearest legal assistance office, use the U.S. Armed Forces Legal Assistance Locator at [http://legalassistance.law.af.mil](http://legalassistance.law.af.mil). The OSJA can provide free support and assistance in several areas, to include trial defense, administrative law, personal property claims, legal assistance, tax preparation, and immigration and naturalization issues. Legal assistance also provides assistance with child or spousal support, powers of attorney, leases, affidavits, local deeds, name changes, consumer affairs, civil suits, domestic relations and family law, wills and estates, local court procedures and claims services.

I. Military Spouse Employment & Education

A. Employment

The Army offers numerous opportunities for challenging and rewarding civilian employment in virtually all career fields and in different parts of the world. Whether you are a military spouse, student, a recent graduate, a veteran or a current federal employee seeking information about opportunities with the Army, please contact the nearest military installation Civilian Personnel Advisory Center (CPAC) or the Family Support Center for federal employment assistance. Your battalion SFA may also be able to assist you in your employment search.

1. Employment Eligibility Categories

For more detailed information on federal employment categories, refer to the U.S. Office of Personnel Management website at www.opm.gov/policy-data-oversight/hiring-authorities/.

If you are a veteran, visit www.opm.gov/policy-data-oversight/veterans-services/vet-guide/.

2. Military Spouse Preference (MSP) Program

As a military spouse you are likely to move many times, which means finding a job and building a career can be a challenge. Fortunately, several programs and organizations exist to help military spouses seeking employment.

The Military Spouse Preference program (MSP), established under the Military Family Act of 1985, offers employment placement preference in Department of Defense (DoD) civilian personnel positions to military spouses who meet certain criteria. The program applies to DoD vacancies only, and there are variations and exceptions that allow local hiring authorities to tailor their policies to meet their requirements.

To be eligible for the MSP, you must be the spouse of an active duty U.S. military member, to include the Coast Guard or full-time National Guard and be relocating (not due to separation or retirement) but with your military sponsor under a permanent change of station (PCS) move to an active duty assignment. You must have been married to the military sponsor prior to the sponsor’s reporting date at the new assignment, apply for a position within commuting distance of the sponsor’s permanent new duty station, and rank among the “best qualified” candidates for the position You may apply for MSP as early as 30 days prior to your reporting date at the new duty station.

Although the MSP program allows military spouses to receive preference over other candidates, some individuals are given a higher preference status, such as, disabled veterans, employees registered in the Equal Employment Opportunity (EEO) program, and former employees returning from overseas.

MSP applies to two main types of federal employment within the DoD: civil service or Appropriated Fund (AF), and Non-Appropriated Fund (NAF). They are considered separate hiring authorities and generally have separate hiring offices on military installations.

The U.S. Army has employed civilians since 1776 to support men and women in uniform. With more than 330,000 civilian employees, the Army civilian service is the largest, busiest, and most successful company within the Department of Defense.
Army civilians are dedicated, experienced, and committed to serving the nation. They are an integral part of the Army team providing mission-essential support to the Soldier. Civilians are federal civil servants, committed to selfless service in the performance of their duties in support of their nation.

www.usajobs.gov

Run by the U.S. Office of Personnel Management (OPM), USAJOBS is the federal government’s official one-stop source for job announcements and employment information for most federal agencies across the nation, including the Department of the Army.

www.opm.gov

The OPM website contains forms, publications and information on federal government personnel management.

3. Military Spouse Career Resources

   a. DOD Spouse Education and Career Opportunities (SECO) Program
To address their unique combination of work-life interests and priorities, DOD has established a comprehensive, holistic, spouse-centered program called SECO. It is part of DOD’s commitment to overall spouse health and well-being. SECO recognizes that spouses make important decisions every day regarding home and work life. When the time is right for more education, training, licensure, employment and portable career advancement opportunities, SECO is just a call or click away.

Military OneSource provides the gateway to the SECO program and provides numerous resources related to the four pillars of service that help spouses move in and out of the workforce at various ages and stages of life: Career Exploration; Education, Training, and Licensure; Career Readiness; and Career Connections.

Visit the SECO section of Military OneSource at https://myseco.militaryonesource.mil/Portal/Home/AboutSeco or call Military OneSource to speak to a certified SECO career counselor at (800) 342-9647.

   b. Military Spouse Employment Partnership (MSEP)
The Department of Defense (DOD) leveraged the successful partnerships created under the former Army Spouse Employment Partnership (ASEP) by expanding the program to Navy, Marine Corps and Air Force spouses. The expanded program — the Military Spouse Employment Partnership — is part of DOD’s broader SECO initiative and helps all military spouses gain the competitive edge needed for employment by providing corporate and federal partners ready-to-hire spouses.

Visit https://msepjobs.militaryonesource.mil.

   c. The Military Spouse Career Advancement Account (MyCAA)
The Military Spouse Career Advancement Accounts Program, a component of DOD's Spouse Education and Career Opportunities program, is a career development and employment assistance program. MyCAA helps military spouses pursue licenses, certificates, certifications or associate degrees necessary for gainful employment in high demand, high growth portable career fields and occupations. MyCAA provides a maximum education benefit of $4,000 with an annual fiscal year cap of $2,000 to assist eligible military spouses who need professional credentials to meet their portable career goals.

Learn more at https://aiportal.acc.af.mil/mycaa/default.aspx or call (800) 342-9647 to speak with a MyCAA career and education consultant.

B. Education

1. Military Installation Education Centers

There are several education programs established by the Army to help Soldiers (and, in some locations, family members) start or continue their education. The education center provides counseling and testing services, the Army Learning Center, educational programs and scholarship or tuition assistance information. The staff will advise you on finishing high school or earning an associate, bachelor’s or master’s degree from an accredited college or university. Many offer courses on post, online or locally.

If you are not located near an installation, your battalion education services specialist (ESS) can guide you to your servicing education center. A list of installation education centers can also be found at www.militaryfamily.org/get-info/spouse-education/.

2. Military OneSource

Call (800) 342-9647 to request a comprehensive search and list of scholarship information for spouses. Pursuing higher education is not only admirable and exciting, it can also lead to rewarding opportunities. Although it may prove to be difficult for military spouses who relocate regularly, it is certainly not impossible. Don’t feel overwhelmed or discouraged when thinking of furthering your education — in fact, it’s easier than you think. Visit the SECO program online at www.militaryonesource.mil/voluntary-education to find valuable resources targeted to helping you achieve your goals.

3. Post-9/11 GI Bill

The transferability option under the Post-9/11 GI Bill allows servicemembers to transfer unused benefits to their spouses. An eligible servicemember may transfer up to the total months of unused Post-9/11 GI Bill benefits, or the entire 36 months if the member has used none (unless DOD/DHS limits the number of months an individual may transfer). Once the benefit transfer has been approved, the spouse may begin using the benefit immediately, and can use the benefit for up to 15 years after the servicemember’s last separation from active duty. For more information, visit www.military.com/education/gibill.

4. March 2 Success

March 2 Success is an online test preparation course that provides help with taking standardized tests and improving math, language arts and science skills. The Army-sponsored curriculum is designed by Peterson’s and Educational Options. It is available and free to anyone. Visit www.march2success.com.

VOTER INFORMATION
Do what's right, legally and morally. Integrity is a quality you develop by adhering to moral principles. It requires that you do and say nothing that deceives others. As your integrity grows, so does the trust others place in your. The more choices you make based on integrity, the more this highly prized value will affect your relationships with family and friends, and, finally, the fundamental acceptance of yourself.

ACKNOWLEDGEMENTS
Face fear, danger or adversity (physical or moral). Personal courage has long been associated with our Army. With physical courage, it is a matter of enduring physical duress and at times risking personal safety. Facing moral fear or adversity may be a long, slow process of continuing forward on the right path, especially if taking those actions is not popular with others. You can build your personal courage by daily standing up for and acting upon the things that you know are honorable.
USAREC wants to recognize and thank all senior spouses for all their hard work and dedication toward creating this resource guide. Their efforts will provide the quality information needed to allow our Soldiers and their Families to make a smooth transition into USAREC.
