

AOS Transition Readiness Continuing Education Web Event Series

WATCH NOW

#AOSTransitionReadiness

Preparing for transition from Military to civilian life isn't always easy. For most, the big question is **"What's next?"** and often times, followed by **"How do I find a job?"**

So where should you start? Watch the **Transition Readiness Continuing Education (CE) Web Event Series**, available on-demand, 24/7 and learn from national subject matter experts who have comprehensive experience in finance, employment and transition.

Whether you are a Service member who is transitioning and looking for a new career or you are a service provider who assists in the process, the web events are designed to share best practices, advice and facilitate further conversation.
